Winter 2020 Grade Options for Students

If you have any questions about your grades for this term, ask your instructor or your Faculty office.

START HERE

I'm going to try and finish my course normally.

NOT SURE

Things aren't going well and I don't think I can finish.

Grade | Notes
--- | ---
W | Withdraw

You can withdraw from the course on UR Self Service. Withdrawing does not affect your GPA. If things really aren't going well, you should choose to withdraw instead of receiving an NP. If you are worried about this, check with your instructor NOW. Be aware that when you withdraw from a class it could affect your status as a full-time student. A decision to withdraw cannot be changed.

I tried to complete all the mandatory course components, including attempting the final exam (if there is one).

NO

I didn't try to finish a mandatory course component.

Grade | Notes
--- | ---
NP | Not Passed

This is a failing grade. If you receive an NP you have no other options and you cannot convert this to NCC. To avoid an NP it is important that you attempt to complete all course requirements. A NP grade does not affect your status as a full-time student.

YES

I'm happy with my final mark and I'll keep my normal percentage grade.

Final grades will be posted by early May

NO

I passed but I didn't do as well as I could have under normal circumstances.

Grade | Notes
--- | ---
CRC | Credit – COVID-19

Credit is given for the course but your GPA is not affected. Be aware that this may have some impact on eligibility for funding or financial awards ... check with your funding and awards office before selecting this option. Your grade decision cannot be changed.

Yes

No further action is needed.

If you are uncertain on which option to take, it is important to check with an Academic Advisor. Your grade decision cannot be changed.

YES

I failed because of issues related to COVID-19.

Grade | Notes
--- | ---
NCC | No Credit – COVID-19

No credit is given for the course and your GPA is not affected. You will have to retake this course if you need it to graduate. A NCC grade does not affect your status as a full-time student. Your grade decision cannot be changed.

NO

May 31: Deadline for choosing CRC or NCC options.

Find your academic advising office here: https://www.uregina.ca/student/registrar/registration-withdrawal/academic-advising-offices.html

April 9: Deadline to withdraw from your course
