Certificate of Administration
(Indigenous Management)

What is CIM program?

Fall 2017 - First Nations University of Canada's Certificate in Indigenous Management (CIM) will be available online to serve a national audience of First Nations organizations, band administrators and other Indigenous learners. The program will target individuals working within the private and public sectors in Canada. The certificate is designed for Indigenous administrators and managers to begin or enhance their careers.

The program courses will be delivered in person at FNUniv's Regina campus and through online delivery to increase the availability of the program across Canada.
