

## Statistics Canada is hiring in your community!

Looking to make a lasting contribution to Canada, its communities and people?

Canada's next census will take place in the spring of 2021. Statistics Canada is now hiring approximately 32,000 census employees to count every person in Canada. Job start and end dates vary by position and location, but are between March and July 2021.

Be part of a team of workers who collect census data from residents in your community; or apply to be a supervisor who trains and leads a team. Supervisors are paid \$21.77 per hour, and enumerators (or equivalent) are paid \$17.83 per hour. Employees are paid for authorized expenses. In the current context of COVID-19, Statistics Canada is committed to ensuring the safety of our employees at all times.

Applicants must be

- 18 years of age or older
- a Canadian citizen or otherwise eligible to work in Canada
- available to work flexible hours, mainly evenings and weekends.

Don't miss this opportunity to be part of a large-scale, national project. Working for Statistics Canada will help you broaden your skills and gain marketable, professional experience.
