

Back to Campus for Fall 2022

August 31, 2022

To all FNUUniv students,

We extend a warm welcome to our new and returning students to the First Nations University of Canada for the Fall 2022 term.

Last week, we provided an update on the campus safety measures. At FNUUniv and our affiliated university & colleges, we continue to encourage and welcome masking on any of the three campus locations. **Masks and hand sanitizer will be made available upon entering campus, in addition to every classroom, lab and library.**

Student Success Services offers many services. Check out the website for further details <https://www.fnuniv.ca/academic/student-information-for-fall-2022/>. Should you wish to connect via email, please include your name, student number and whether you're a new or returning student.

Unfortunately, we are still in a pandemic environment. Our priority is the health and safety of our students, Elders, faculty, and staff. If you are feeling unwell or have symptoms related to COVID-19, please stay home, self manage and advise the **FNUUniv Crisis Response Team** immediately. **If you require a COVID-19 test kit, please inquire at the Information Desk at your respective campus.**

The University of Regina distributed an update to all UofR students on August 30th. If at any point throughout the Fall term, you may need an accommodation due to illness; please visit the UofR's [Registrar's Office website](#) under "Academic Regulations" and the *Application for Deferral of Term Work and/or Final Exam* and *Self Declaration of Illness* forms on the UofR's [Registrar's Office website](#). **FNUUniv students must contact the FNUUniv Registrar at registrar@firstnationsuniversity.ca**

The University will continue to monitor the situation and re-evaluate our safety measures as needed.

We hope that you have a wonderful first-year or returning campus experience at the First Nations University of Canada. We are always here to help and support in any way possible.

Sincerely,

FNUniv Senior Management Team
