**To All First Nations University of Canada Students,**

**RE: NEW LAPTOP LOAN PROGRAM**

The First Nations University of Canada (FNUniv) is pleased to announce our new Laptop Loan Program which will take effect on Monday, May 4, 2020. Through sponsorship from SaskPower, FNUniv was able to purchase 57 laptops for our three (3) campus locations.

The Loan Program was created as an additional support for students facing the technological challenges encountered during the post-secondary transition to remote learning distance delivery.

FNUniv management supports the continued academic advancement of our students. We hope that the provision of such program will ease part of the hardship students may encounter over the next term.

As with other programs, students must meet specific requirements and conditions. If you are interested in the Laptop Loan Program, please contact your campus library for further details.
